

COURSES: The curriculum is composed of courses published by Emmaus Bible Correspondence School and seven Navpress courses. These courses are alternated in order to give the student a balanced view of the Scriptures, so that the student can progress in a systematic manner. Navigator courses require a Bible.

ORDER: The salvation/discipleship series helps the student with a spiritual assessment. For some this may be just a review, but is necessary to accumulate units in order to receive advanced courses.

CREDITS: Units of accomplishment are granted on Emmaus lessons with a grade of 70% or above. Over 70 units of accomplishment can be earned. Certificates are for incentive only. Units earned are not transferable. Navigator courses are returned with comments and a completion certificate, but have no numerical grade.

EXAMS/LESSONS: Courses are made up of lessons with exams. Emmaus exams include multiple choice, True/False questions with additional questions for you to respond to with your thoughts. Navigator exams are the question/answer portion which is all or most of the book. When you complete a course or courses, send in **all the exams at the same time** in the free Business Reply Envelope provided.

GRADING/RETURNED LESSONS: After exams have been graded with comments, they will be returned to you by first class mail with a certificate. At that time, the next course will be sent by bulk mail.

Our curriculum of Bible courses provides an excellent introduction to the Bible and will lead you, one step at a time, through many great truths. You benefit from interaction with an instructor who gives you personal attention and is ready to assist you with your studies. This is one of the most valuable features of a correspondence course and sets it apart from every other method of home study.
